

Edge Pull® and Simply Tab® Liners

Easy open and superior leak protection

TekniPlex's easy-to-open, tabbed liners are designed to be simple to remove, while strong enough to protect your product. Edge Pull® is available in half-moon and offset tab configurations, while Simply Tab® features a dual tab design.

These lining solutions are compatible with most container materials, making them ideal for food, beverage, pharmaceutical, nutraceutical, and cosmetic applications.

Features and benefits:

- Induction heat seal provides superior leak protection
- Thick, durable tab enables ease of grip for multiple demographics
- Half-moon, offset, and dual tab configurations available
- Printed use instructions enable hassle-free experience
- Compatible with PET, PE, glass, and PP containers
- Unprinted and custom print options available
- Tamper resistance and contamination prevention

Great for food, beverage, pharmaceutical, nutraceutical, and cosmetic applications.
